Dated: 06/05/2026

Safe DRINKING WATER AND SANITARY CONDITION CERTIFICATE

It is certified that an inspection team headed by Divisional Sanitary Inspector from Health Department, Surat inspected the Shantadevi Sitaram Mundra, Maheshwari Public School, Block No. 56, S. No. 55, Ladvigam, Ta. Kamrej, Dist. Surat on 06/05/2026, checked the water test report submitted by the School and found that the School has portable drinking water for students and staff of the institution and is having provision for running water in the toilets and maintaining hygienic sanitation condition in the School building and the campus as per norms prescribed by the U.T Govt.

The above is valid for a period of One Year from 06/05/2026 to 05/05/2027.

AB Patel
